CALL FOR PAPERS

The XXI International Congress on Science and Technology (CIT 2026) is an annual multidisciplinary event dedicated to disseminating cutting-edge research in science and technology through keynote lectures and academic exchanges. It will take place at the Universidad de las Fuerzas Armadas ESPE in Sangolquí, Ecuador, from June 22 to 26, 2026.

PAPER SUBMISSION:

Springer paper preparation guidelines (templates + formatting): **https://www.springer.com/gp/computer-science/lncs/conference-proceedings-guidelines**

- Language: English (mandatory).
- Paper length: 12–15 pages (Springer template).
- References/citation style: as defined in the Springer template.
- Peer review: at least 2 reviewers (blind review).
- Originality/similarity check: required prior to final acceptance.

All accepted, registered, and presented papers at CIT 2026 will be published in Emerging Research in Intelligent Systems, part of **Springer's Lecture Notes in Networks and Systems (LNNS) series**. The proceedings will be submitted for indexing in Scopus.
